

Advisory: Minerals Technologies Inc. to Host an Analyst Day on June 30

April 22, 2015 8:13 AM ET

NEW YORK, April 22, 2015-Minerals Technologies Inc. (NYSE:MTX) will host an Analyst Day meeting at the New York Stock Exchange on June 30, 2015 with members of the investment community to articulate MTI's strategy and long-term goals. Presentations by Mineral Technologies' executive management team, including a keynote address by Chairman and Chief Executive Office Joseph C. Muscari, will provide an overview of the company's financial objectives and vision for the future.

WHEN: Tuesday, June 30, from approximately 9 a.m. until approximately 2 p.m. Eastern Time.

WEBCAST: The event will be made available via webcast on Minerals Technologies' Investor Relation's page at www.mineralstech.com. The webcast will be archived on MTI's website and available to the public for 30 days following the event

New York-based Minerals Technologies Inc. is a resource- and technology-based growth company that develops, produces and markets worldwide a broad range of specialty mineral, mineral-based and synthetic mineral products and related systems and services. Minerals Technologies serves the paper, foundry, steel, environmental, energy, polymer and consumer products industries. The company reported sales of \$1.725 billion in 2014.
