

Minerals Technologies to Host Analyst and Investor Day on May 24, 2023

May 23, 2023

NEW YORK, May 23, 2023 (GLOBE NEWSWIRE) -- Minerals Technologies Inc. (NYSE: MTX), a leading technology-driven specialty minerals company will host an Investor Day on Wednesday, May 24th at 9:00 a.m. ET at the New York Stock Exchange. The webcast portion of this event will conclude at 12:30 p.m. ET.

The agenda will include:

- Doug Dietrich, Chairman and CEO, will provide an overview of today's Minerals Technologies (NYSE: MTX) and the company's distinctive management system and culture
- Jon Hastings, SVP Strategy and M&A, and the technology team will provide an overview of core technologies and what makes the company unique and valuable to customers
- DJ Monagle and Brett Argirakis, Group Presidents of our two segments, Consumer and Specialties and Engineered Solutions, respectively, will follow with a deeper dive into product lines and growth strategies
- Jerry Darlington, Vice President of R&D will cover sustainability targets and achievements
- Erik Aldag, SVP Finance and Treasury, and CFO, will follow with projected financials
- The event is expected to end with Q&A

To access the live webcast and presentation materials, please go to [MTX Investor Day Registration](#).

A replay of the presentation will be available following the live presentation.
