

**Correction: Minerals Technologies Prematurely Announced Signing Of Commercial Agreement For Fulfill® High-Filler Technology**

June 17, 2016 3:18 PM ET

NEW YORK, June 17, 2016-Minerals Technologies Inc., (NYSE: MTX) is correcting an announcement made on June 13 concerning a commercial agreement for its Fulfill® E-325 high filler technology with a North American paper company. That press release was issued prematurely.

The company remains in discussion with the paper company and expects to have a signed contract in the near future.

New York-based Minerals Technologies Inc. is a resource and technology based growth company that develops, produces and markets worldwide a broad range of specialty mineral, mineral based and synthetic mineral products and related systems and services. MTI serves the paper, foundry, steel, construction, environmental, energy, polymer and consumer products industries. The company reported sales of \$1.798 billion in 2015.
