

News Release

Minerals Technologies Inc. Hosts 2026 Investor Day September 22

NEW YORK, Sep. 16, 2026 (GLOBE NEWSWIRE) -- Minerals Technologies Inc. (NYSE: MTX) ("MTI"), a leading, technology-driven specialty minerals company, is hosting its 2026 Investor Day on Tuesday, September 22, 2026, at the company's research and development center in Bethlehem, Pennsylvania.

The event will begin at 1:00 p.m. ET and feature a live webcast through approximately 2:30 p.m. ET, followed by an in-person tour of MTI's research and development facilities. Investors may participate either in person or via webcast. Registration for the webcast is available through the 2026 Investor Day [registration link](#).

MTI's executive management, product line leaders, and R&D leaders will provide an in-depth review of the company's approach to innovation as well as some of its newest growth initiatives and long-term value creation opportunities.

Attendees will hear from:

- Douglas T. Dietrich, Chairman and Chief Executive Officer
- Erik C. Aldag, Senior Vice President, Finance and Treasury, and Chief Financial Officer
- Brett Argirakis, Group President, Engineered Solutions
- D.J. Monagle, Group President, Consumer & Specialties
- Chad Trent, President, High-Temperature Technologies
- Jim Wright, President, Specialty Additives
- David Helmick, Global Director, R&D – High-Temperature Technologies
- Sharad Mathur, Director, New Product Development – Specialty Additives

The live webcast of the event, along with registration information and supporting materials, will be available on the [Investors - Events & Presentations](#) section of MTI's website. A replay of the webcast will be available within 24 hours of the live event.

About Minerals Technologies Inc.
